### PRE-TOURNAMENT PRACTICE & RULES MEETING

All participants fishing the Wyoming Walleye Stampede must be off the water with boats trailered by 4:30pm on Friday. If inclement weather or boat traffic is predicted high, anglers must plan ahead to be off of the water. In case of an emergency or unforeseen situation that would prevent a team member from attending the mandatory rules meeting, the tournament director must be notified prior to rules meeting time @ 307-258-8898. Rules meeting will be at 6:30pm at the specified location.

### TOURNAMENT INTEGRITY AND SAFETY

Each participant must observe safe boating conduct at all times. Alcoholic beverages or illegal drugs are not to be consumed or allowed in the tournament boats during tournament hours. All tournament boats must have all Coast Guard required safety equipment, including type IV throw cushions, fire extinguisher, and distress horn, flag, or whistle. It is recommended that all boats be equipped with a marine radio. All boats will be inspected prior to launch. Boats will be permitted to launch from any location on the lake but must check in at the designated location prior to launch. Any boat not checked in by 6:50 am will be required to wait until all boats have launched and will be inspected on the water and will lose their boat launching position for that day. It is recommended that you arrive at least 1 ½ hours prior to launch. All teams are subject to inspection during the tournament. Tournament staff boats may come alongside, board a boat and conduct inspections at any time. No other boats may come within 50 feet of any contestants boats. No fishing information (including location, fishing presentation, or fishing technique) may be given to contestants during tournament fishing hours by anyone in any fashion. (Tournament hours are from take-off until the final teams weigh sheet is turned in) Cell phones are allowed for safety purposes only. No contact between competitors or non-competitors is allowed during tournament hours. No internet access is allowed, nor is text messaging, paging, or walkie-talkies to another person during tournament hours. The tournament director may request phone records in the course of investigating an incident report. All contestants agree to provide such records if requested of them.

Each contestant must wear a Coast Guard approved personal flotation device when the main motor is operating above idle and a wake is made. Contestants in violation of this rule will be disqualified for the day. In the event of a thunderstorm, lightning, or severe weather, participants may pull into the nearest shoreline until it is safe to continue fishing. Participants may not leave their boats during tournament hours except severe weather forces them to shore. Tournament director must be notified in the case of an emergency.

## TOURNAMENT FORMAT AND FISHING

Tournament will be conducted as a catch and release event where fish will be measured per game and fish standards (tail pinched) on the water then released. (Progressive live release) Tournament director will assign boat numbers on a first-come first-serve basis. Participants may choose to be towards the front or towards the rear of the field on their application and given the next # available. Boats will launch in single file by direction of the tournament officials. Official tournament hours will be from the time the first boat is signaled to take off until the final weigh sheet is collected. Tournament will be a two day competition unless delayed or shortened due to weather or unforeseen circumstances. Each participant will be required to check-in each morning before take-off and will be required to check-in at the end of the day with the official time keeper. The disclosed location of the time keeper will be announced Friday night at the rules meeting. Contestants who arrive one to fifteen minutes later than their assigned flight check-in time will forfeit ½ of their fish weight for that day. Teams later than 16 minutes later than their assigned time will lose all weight for that day. On tournament day fishing by participants is only permitted during tournament hours. Contestants must stay off tournament waters before and after tournament hours except to navigate to and from the check-in site and launch facilities. Participants must abide by all game and fish and state parks regulations. Any participant found to break any game and fish or state park regulations from 6pm Friday until 6pm Sunday will result in automatic disqualification. Only fish 15 inches and larger will be measured. Fish will be measured in ¼ inch increments. Each team will be allowed to measure 12 fish per day with a maximum of five fish in possession at any one time per team. Any short fish brought in to weigh will not count towards daily weight; however, will count towards one of the 12 fish maximum. (Exception at Glendo: Any fish "under 15 inches" brought in to be measured will result in automatic disqualification) Participants must keep fish in aerated live wells to keep fish alive and fresh for release back to the water. No culling is allowed. No exceptions. Teams will be disqualified from the tournament if found culling. If any fish is questionable (white gills, soft flesh, sunken eyes, etc.) due to poor handling, these fish will not be counted towards weight but will count towards the 12 fish limit. After teams have their fish measured, one member of the team will sign to confirm the measurements. At the end of the day the largest 5 fish will be counted towards their daily weight. Protest committee will comprise of the tournament director, one staff member, and one randomly selected participant. A \$100 protest fee must be filed with a written protest within 30 minutes of the final weigh-in time. We strongly recommend participants use digital cameras or camcorders with date/time stamp to document their claims. The protest committee and their agents are authorized to utilize any investigative technique in order to determine the validity of the protest or the charge against any contestants. The decision of the protest committee shall be the majority vote and shall be final in all cases. Contestants waive any right or opportunity to appeal the decision of the protest committee to a higher authority, including any court or jurisdiction in this or any other state. If a protest by a contestant is found to be valid, the protest fee will be returned with a \$100 reward. If the protest is found invalid the protest fee will not be returned. Any person found violating the rules may be immediately disqualified and the reasons for said disqualifications will be announced at the weigh in. Payouts will be a minimum of 80%. Twenty percent (20%) of the teams participating in the tournament will be awarded prizes of cash. All ties will be determined by big fish from day one. It is the intention of this tournament to promote good sportsmanship and fair play. Unsportsman like conduct and cheating will result in disqualification. Interpretation of the rules shall be left exclusively to the tournament rules committee and all decisions will be final. Rules have "loopholes" however the "Spirit of the rule" will apply in judgments.
